**Surrau "Sciala" Vermentino di Gallura
DOCG Superiore - 2019**

vinous

The 2019 Vermentino di Gallura Superiore Sciala is very pretty and perfumed, with yellow flowers giving way to ripe apples and sweet spice. This is silky in feel yet full of nervous energy, as a mix of saline minerals and acids creates inner tension. A mix of ginger and lime lingers long, making for a clean and precise finale.
