The Badia a Coltibuono 2016 Chianti Classico Riserva Cultus Boni is an organic wine from one of the most consistent and productive estates in Gaiole in Chianti. The wine is grounded in fresh primary fruit with wild cherry, blackberry and some faint dustings of exotic spice, toasted nut, crushed stone and dried flowers. You also get hints of lavender, sage and dried mint. Cultus Boni is one of the most terroir-driven wines of this subzone (and the price point is excellent).
