**Li Veli "Askos" Susumaniello Rosato  
Salento IGT - 2021**

vinous

The 2021 Rosato Susumaniello Askos is understated and dusty in character, yet with an exotic spiciness that keeps me coming back to the glass. It washes across that palate with glycerol-like textures, while delivering ripe green melon and sweet inner herbal tones. While a bit short, the Askos succeeds in leaving the senses completely refreshed and aching for another sip.
