Tenuta di Capezzana Villa di Capezzana di Carmignano DOCG -2013

## vinous

The library release 2013 Carmignano Villa di Capezzana Dieci Anni is a total pleasure on the nose, finely detailed with rich plum sauce and crushed cherry notes complicated by flowery underbrush, mint and old cedar spice box hints. It's supple and silky on the palate, with juicy acidity enlivening its ripe red fruits as a flourish of rosy inner florals and cedar evolve toward the close. While still lightly structured with adolescent tannins, the 2013 is so enjoyable today, tapering off with licorice and confectionary spice echoing that linger on and on. There's no harm in cracking open bottles today or losing them in the cellar to enjoy over the next decade.
