Displaying a youthful red-with-orange color, the 2019 Chianti Classico Riserva is layered with cedar, black raspberry, anise, and tobacco aromas. Medium to full-bodied, it is refreshing without any weight, and its clean acidity is evenly balanced through the wine, with fine tannins that take a pleasing angular feel that's well-managed. It's long on the palate, its delicate perfume hovering on the palate after the wine is gone, with notes of bergamot. This very appealing wine will continue to improve with another couple of years in the cellar. Drink 2026-2038.
