The 2019 Badia a Coltibuono Chianti Classico Riserva is a stunner. A blend of 90% Sangiovese with the rest made up of Ciliegiolo, Canaiolo and Colorino, all organically farmed and fermented with wild yeasts, it's elegant and delicious, with great red berry fruit underpinned by layers of star anise, botanical herb, blood orange, violet and hay sensations. A hint of bitter almond lingers on the finish. Showing great energy and intensity, this promises years of fine sipping. Drink 2025-2034.
