Made with equal amounts of nine organically farmed native grape varieties (Ciliegiolo, Canaiolo, Foglia Tonda, Malvasia Nera, Pugnitello, Mammolo, Sanforte, Colorino and Sangiovese), the delicious 2019 Montebello delivers great fruit flavors of ripe plum and black cherry accented with notes of dark spice, grilled rosemary, camphor, juniper and a dollop of vanilla. Each grape is fermented and aged separately for two years in barriques before the assembled wine is aged for six months in large casks, resulting in a full-bodied, savory wine with taut, fine-grained tannins. Drink 2025 - 2034.
