First released in 1980 and made only the best years, the Sangiovetto from Badia a Coltibuono is a Tuscan icon. The delicious 2020 is fantastic, delivering enticing aromas of red fruit, blue flower and spice. Fermented with wild yeasts and aged in barriques, only 10% new, the full-bodied, structured palate features succulent black plum, Marasca cherry, licorice and cake spice wrapped up in velvety tannins. Made entirely with Sangiovese, it's smooth, fresh and enveloping, with weightless concentration and finesse. Drink through 2032.
