PRODUCER PROFILE

Winery Owner(s):
The di Grézy Family
Winemaker:
Matteo Sasso
Winery Founded:
1973
Region:
Piedmont

Built to age, with concentrated flavors and lots of lip-smacking tannins, with medium weight and good acidity. It should be decanted if opened over the next few years or, if you like to see how a wine develops short term, take some time enjoying a glass or two to taste it as it develops in real time.
