The 2021 Syrah La Monaca is youthfully coy. Swirling slowly unlocks its bouquet of crushed violet, graphite, blackberry and sage. Cool-toned and sleek, it offers polished red and black fruits that flow across a stream of fresh acidity. A saturation of crisp minerality adds form toward the close. The 2021 tapers off with staining length and concentration, mixing fine-grained tannins with a pleasantly tart tinge of licorice and spice.
